

The background features a large, semi-transparent watermark of the school's logo. The logo consists of the letters 'PJHS' in a large, stylized font with a light green fill and a grey outline. Below 'PJHS' are the letters 'BAND' in a smaller, similar font. The 'P' in 'PJHS' contains a graphic of a sunburst and a musical instrument, possibly a trumpet.

Depart: Sunday April 5th 2020 in
the evening (Spring Break Week)

Return: Thursday April 9th 2020 in the
morning

Students attending: 76

Chaperones/Families: 11

Current Total: 101

I can take up to 110 to fit on 2 buses.

BUT... we would all become very close friends.

- Transportation to Walt Disney World is by charter bus
- We have 3 days admission into the park with park hopping privileges.
- Students will see all 4 parks within the 3 days.
- Fast Passes are possible, but difficult due to only having our passes a few days early.

- Students need to decide on rooming lists the week we get back in January
- A list will be posted to sign-up on.
 - 4 per room
- Chaperone rooming lists will also be posted around that time.
- Students will participate in the “You’re Instrumental Workshop” while in Disney. This workshop is really well done and in a Disney recording studio.

- Packing List will go out in March of all suggested items to pack.
- Students will have 3 shirts we will be ordering in February that they will wear each of the 3 days we're in the parks, so they won't even need to plan that out.
- The shirts will be the same for everyone. Chaperones will get them as well.
- A couple of things I suggest you plan on getting for the trip:
 - Sunscreen
 - 3 Disposable Ponchos - Wal-Mart for a few bucks
 - Extra cash for the park
- Your price includes all meals. Breakfasts are at our hotel and are buffet-style.
- The rest of meals are on meal vouchers that each student will have.

- Medications will be discussed at our meeting in February
 - We will have nurses with us on the trip
 - There are medical stations in every park
 - All chaperones will know where these stations are
- REMIND
 - All students/chaperones will have one
 - All students/chaperones/parents will have one
 - All chaperones will have one
- Google Number
 - I will have a special Google Phone Number I can be reached at by students at any time should they be separated from their group.
 - I know every park well enough and will not be attached to a group, so that I can find them very quickly.

BBQ Fundraiser

- January 17th is the cook
 - We will need volunteers that night to prep everything.
- January 18th is pickup between 4 and 6pm.
 - We will need lots of volunteers that day to package everything and then to hand out everything.
- Sign-Up Genius will go out the first of the year for volunteers
- Every sale has to be logged on the website: www.pjhsband.com/bbq

Large Group

Performance Evaluation

- You'll hear me refer to this as "LGPE" most of the time.
- Large Group is kind of like the "Standardized Test" for band/chorus.
- Happens in early March, our exact date is TBD
- Will be at either Lambert HS or Dawson HS - also TBD
- For all students. We try to make it during the school day, but are not guaranteed that time.
- It doesn't cost anything, but we typically do an activity - dinner/bowling/arcade/movie/SOMETHING afterward for the kids....
But again, all TBD once I know more.
- Questions?

LOONEY TUNES

"That's all Folks!"

Any questions that are pertinent to the entire group? If not, thank you for coming, I will be available for private questions after this meeting and can be reached by email:
